

THE 2011 FALL PRS ROSE SHOW AT THE LLOYD CENTER MALL

For the fifth year in a row, the PRS was pleased to present a fall rose show bonanza to the City of Portland at the city's premier mall. The Lloyd Center acted as a gracious host and the community of rose growers responded by bringing in a large number of roses for everyone visiting the mall to see. The fall show was presented on the second level of the mall and the roses were displayed along the glass wall that overlooks the lower level of the mall. A total of 50 exhibitors placed over 700 entries consisting of over 1100 stems of roses and the Portland Parks exhibition for a total of about 2500 individual blooms on display at the show - Thanks!

The PRS and show chair Mollie Bauck wish to extend a great big thank you to all of the members of the Rose Society who did their usual wonderful volunteer jobs to make this another successful Rose Society event. Many people enjoyed the rose display and perhaps we will be able to start a few of them in a new direction in their home gardens. The trophy winners at the show are as follows:
