

CELEBRATING ROSES 2017

The "Celebrating Roses 2017" calendars are now available through the Portland Rose Society. It looks like it is going to be a very beautiful year for roses in 2017. You can enjoy the beauty of 12 gorgeous roses through the coming year with one of these calendars hanging in a prominent place in your home or work place. The featured roses in this year's offering are Hannah Gordon, Olympiad, Emma Grace, Tineke, William Shakespeare, Diana Princess of Wales, Crazy Dottie, Falling in Love, Commonwealth Glory, Sunset Celebration, Chihuly and Scentamental.

The Calendar format has large daily areas for ease of using it for scheduling.

Falling in Love - What a great name for this rose because everyone who sees it falls in love with it. Its form - to few words, light pink (with a white center) blooms have 35 to 40 petals and exhibition form. The large, full-grown, semi-glossy foliage only enhances its beauty. And if all of that was not enough to make you love this rose, it also has award-winning fragrance.
